

A Very Special Thank You to All at

St. Mary's Star of the Sea

Dear Friends of PFRS,

On behalf of all our staff, volunteers and especially from the families we serve in this community, we offer a heartfelt "Thank YOU," for your continued generous donations and support. Your donations are making a difference in the lives of women, children, families, and the precious unborn. Your support does provide a voice for the unborn at risk.

We would like to recognize all of your efforts and coordination in putting together your churches donation Sundays. We understand that it takes many people who have given their time and talents silently without any or much recognition. Please allow us to express our gratitude for all that you do. Here are just a few examples of the lives your efforts are touching in a compassionate and loving way.

*"The help has been so great, I don't know what I would do without the center, thank you."
Christina and son*

*"This is a great place, we were able to get the help we needed for our family, thank you."
Michelle and familv*

Thank you so much for helping us through your baby bottle and "Pink House" offerings. Your partnership and prayers are valued!

*"Thank you for helping us, you were always there for us."
Fawnda and Family*
